internal and external asset managers. You will contribute to the development of the private debt strategy and help grow our investment agenda across the full private debt spectrum.

Key responsibilities

- Contribute to the development of the global investment strategy of Allianz in the private debt space
- Support in large-scale private debt investment proposals (in collaboration with other investment professionals) through qualitative and quantitative investment analysis
- Further develop data analytics for private debt, performance measurement, ongoing portfolio management and sustainability topics
- Guide decision-making processes at global and local level, in particular for investment transactions
- Manage relationships with internal and external asset managers

Key requirements/skills/experience

- Master's degree in finance, business administration, economics, or similar area; further qualifications such as CFA are beneficial
- 3-5 years of experience in investment, finance or valuation functions – ideally in portfolio steering, fixed income, credit strategies or alternative assets

**Intern (f,m,d)
Infrastructur...**

We are looking for
an intern to

- Analytical skills with interest in financial markets and investments
- Entrepreneurial thinking, personal drive and "getting things done" attitude
- Written and oral fluency in English, German or other European languages is beneficial

What we offer

- Our buddy program, a welcome event and a structured onboarding to help you get started with AIM.
- A broad range of learning opportunities will help you staying relevant in your current role and growing into future workplace demands
- An open and international working environment with a diverse and inclusive culture will inspire your everyday work. A working model which balances remote and office based work will give you the flexibility to organize the way you work.
- A company pension scheme, well-being initiatives, sports offers and other local benefits will allow you achieving a positive work life balance.
